Contractors or Consultant Entry During School Closures

Durham Region Health Department Approved Safety Strategies

Access will only be granted to the site for individuals who have passed the COVID-19 self-assessment. <https://covid-19.ontario.ca/self-assessment>

The Ministry of Health Self-Assessment Tool (updated June 13, 2020) directs self-isolation for Ontarians who meet any of the following criteria:

- have one or more of 17 listed COVID-19 symptoms (listed below)
- have returned from outside of Canada in the last 14 days
- in the last 14 days, have been in “close physical contact” with:
 - a positive case of COVID-19,
 - a person who is sick with a new cough, fever, or difficulty breathing,
 - a person who returned from outside of Canada in the last 14 days.

Common symptoms of COVID-19 include:

<ul style="list-style-type: none">• Fever (temperature of 37.8°C or greater)• Chills• New or worsening cough• Barking cough making a whistling noise when breathing (croup)• Shortness of breath• Sore throat• Difficulty swallowing• Loss of taste or smell• Nausea/vomiting, diarrhea, abdominal pain	<ul style="list-style-type: none">• Runny nose – not related to seasonal allergies, post nasal drip, etc.• Stuffy nose• Pink Eye (Conjunctivitis)• Headache• Muscle aches• Extreme tiredness• Falling down• For children: sluggishness or lack of appetite
---	---

Other Safety Precautions when Accessing the School (as per Durham Region Health Department)

1. Abide by the strategies in place for Social/Physical Distancing. While inside the building, all individuals must practice social distancing and remain at least 2 metres apart at all times.
2. Do not gather in groups.
3. Practice good Hand Hygiene. Wash hands and/or use sanitizer when entering and leaving the building.
4. Wear a mask if you can't practice physical distancing or it is a challenge to maintain.
5. Masks will be available for those exceptional circumstances where it is difficult to maintain physical distancing. Appropriate access to emergency PPE will be provided as well.
6. If possible, individuals should use stairs without touching the railing while in building. If elevator use is necessary, individuals should ride alone.
7. Individuals should not use the washrooms and should avoid touching surfaces to the extent possible.

I confirm that I have completed the self assessment tool and will follow the recommended guidelines related to COVID-19 while on the DCDSB site
