

1.3 Appendix A – Itemized Pricing – Revised as per Addendum #3

The following table contains our list of Itemized Prices to perform specific parts of the Work which are **included** in the Stipulated Bid Price. Itemized Pricing forms part of the bid submission and **is to be submitted in conjunction with the Stipulated Bid Form.** The itemized prices quoted include all labour, material, overhead, and profit, etc., required to complete the Work as specified in the description(s) below and as identified in the tender documents attached hereto. Please note that the Itemized Prices quotes should equal the Total Stipulated Bid.

Description of Itemized Price Work		Price
